PROFESSIONAL SUMMARY

Results-driven Financial Operations professional with over a decade of progressive experience in fintech and banking across 18 international markets. Specialist in high-volume transaction reconciliation (\$1B+ digital payment pipelines), multi-entity cash management, and regulatory compliance reporting. Proven track record deploying SQL automation and Power BI dashboards that materially reduce settlement error rates and accelerate close cycles. Regulatory reporting experience equivalent to EBA/DNB prudential standards (CBN-regulated environment).

CORE COMPETENCIES

- **Financial Operations:** Transaction reconciliation & settlement operations (\$1B+ scale), multi-entity & multi-currency cash management
- **Risk & Compliance:** Card scheme rules (Visa, Mastercard), EMV standards, dispute & chargeback management, fraud protocols
- **Data & Automation:** SQL pipeline design (Metabase), Power BI dashboard development, data modeling (DAX), process automation
- **Systems:** Microsoft Excel (Advanced), Oracle-adjacent ERP systems, CBN regulatory reporting portals, Google Workspace
- **Languages:** English (C2 Proficient – Fluent), German (B1 Intermediate), Yoruba (Native)

PROFESSIONAL EXPERIENCE

Cash Movement Data Specialist

Keystone Bank Limited, Lagos, Nigeria | *November 2023 – Present*

- Reduced transaction discrepancies by 50% and improved cash-flow reporting turnaround by 30% through SQL-driven data validation workflows.
- Consolidated interdepartmental documentation, cutting paper-based processes by 75% and enabling real-time reporting.
- Coordinated regulatory submissions to the Central Bank of Nigeria (CBN)—with a scope equivalent to European EBA/DNB prudential reporting—maintaining 100% on-time compliance.

Reconciliation & Settlement Manager

SeerBit Technology Limited, Lagos, Nigeria | *November 2021 – November 2023*

- Owned end-to-end reconciliation of \$1B+ in digital transactions across web, POS, and bank transfer platforms in a multi-entity, multi-currency environment.
- Built SQL pipelines in Metabase for automated transaction extraction and exception flagging, improving reconciliation accuracy by 30%.
- Developed Power BI dashboards to visualize daily settlement trends, reducing error rates by 25% and shortening dispute resolution cycles.
- Managed P2P and O2C workflows across 3 product verticals; identified and eliminated manual bottlenecks through automation.

Operations & Supply Chain Manager

Agrofeast Nigeria Company Limited, Lagos, Nigeria | *March 2020 – November 2021*

- Managed NGN 500M inventory and led logistics across 11 warehouses, increasing fulfillment efficiency by 27%.

Card Production & Transaction Processing Officer

United Bank for Africa Plc (UBA), Lagos, Nigeria (18 African Subsidiaries) | *December 2016 – January 2020*

- Managed end-to-end card production across Nigeria and 18 international subsidiaries, ensuring full regulatory and EMV standards compliance.
- Resolved 58% of card operation failures through root cause analysis in collaboration with IT and compliance teams.
- Delivered cross-border operational consistency aligned perfectly with Visa and Mastercard international card scheme rules.

EARLIER EXPERIENCE

Chargeback Analyst | United Bank for Africa Plc (UBA), Lagos, Nigeria (*December 2013 – December 2016*)

- Managed NGN 30B annual card dispute portfolio with a 98% successful recovery rate by enforcing card scheme rules and fraud protocols.
- Shortened dispute resolution timelines by 20% through a structured escalation framework adopted bank-wide.
- Maintained zero regulatory penalties over 3 years through rigorous documentation and compliance controls.

Credit Analyst | United Bank for Africa Plc (UBA), Lagos, Nigeria (*December 2012 – December 2013*)

- Assessed loan applications using credit scoring models and cash flow analysis, reducing default risk by 15%.

EDUCATION & QUALIFICATIONS

Bachelor of Science in Accounting

National Open University of Nigeria | *2014 – 2019*

- Relevant modules: Financial Accounting, Management Accounting, Auditing, Taxation, Corporate Finance

National Diploma in Accounting

Osun State College of Technology, Esa-Oke, Nigeria | *2005 – 2007*
